

Macon County (46), Let's Show Some SPIRIT!

There is excitement in the air in Macon County. It's more than great when both high schools in Macon County are in the football playoffs--Booker T. Washington High School and Notasulga High School, and it's even greater to have Booker T. Washington High School earn its first playoff berth as a part of its 25th anniversary. Congratulations to both schools and teams. To show our Golden Eagle and/or Blue Devil spirit, we want to support our support in color.
